FOR IMMEDIATE RELEASE

Highway 99 at Sheldon Road Subject to Detours

Elk Grove – The California Department of Transportation (Caltrans) announces that Highway 99 at Sheldon Road will be subject to detour from **10 p.m. to 5 a.m. Wednesday, January 14 and Thursday, January 15**. A contractor is scheduled to demolish the old Sheldon Road over crossing.

During the demolition, motorists will be directed to the Sheldon Road off-ramp and return back to Highway 99 via the Sheldon Road on-ramp.

This detour is part of a \$26.1 million project to rebuild and modernize the Highway 99 Sheldon Road Interchange. This project will upgrade the overcrossing and increase the vertical clearance. The project is scheduled for completion in summer of 2009.

Motorists are advised to use caution when traveling through the construction area and to "Slow For the Cone Zone".
